

Blue Card Services

Who needs a blue card?

Volunteers and trainee students need a blue card if their work or practical placement in a church, club, association or similar entity includes, or is likely to include, providing services that are mainly directed at children, or conducting activities that mainly involve children, unless an exemption applies.

Examples of people who need a blue card...

- Volunteer coaches for children at sporting or recreational clubs
- Volunteers conducting children's activities at churches
- Parents volunteering in an official capacity on a club's committee, even if their child is a member of that club,
- Trainee students doing placements in a church, club or association as part of their studies with an education provider.

How Do I get a Blue Card?
