

## Expression of Interest Video/Photo Producer

---

The Queensland Weightlifting Association (QWA) successfully launched its Online Club Level Referee course in 2017. This online resource has enabled interested individuals from all over the state gain an entry-level Referee qualification.

We now wish to add to this resource and are calling for EOI from individuals interested in assisting with the production of resources for use in QWA State and National level courses. There is a budget of \$4000 available to the successful applicant.

---

### **Requirements:**

- To produce and edit the video and photo content for the QWA State and National online referee training courses;
- Video and photo content where ever possible should be State/Club/Venue/Product neutral;
- No branding of product with own logo is permitted. However contribution will be acknowledged in the credits;
- All content and Premier Pro files become the property of the QWA;
- Have knowledge/experience with the sport of Weightlifting and its promotion;
- Ability to work collaboratively with our in-house IT expert and in-house Technical Rules expert;
- Demonstrated experience in producing promotional/educational resources specific to weightlifting;
- Have experience in meeting specified timelines;
- Be able to show that their existing commitments would not prevent them taking on this additional workload;
- Be flexible with the working party's need for ad hoc contact, as required to meet project outcomes in a timely manner;
- Be able to meet the project deadline of 30<sup>th</sup> August 2018.

---

### **EOI PROCESS**
