Dear Coaches

Applications are called for Team Leader, Head Coach and Assistant Coach for the 2024 QLD vs NSW Championship in Sydney, 11-13 October.

These appointments are Funded by the Athletes in this new competition format.

Applicants must hold current QWA membership, and Blue Card linked with the QWA, and must not be competing or directly benefited in the event they apply for.

Appointed TL, HC & AC staff will be provided with economy class airfares, and shared accommodation during the event. Shared funded ground transport at the event may be provided subject to the QWA budget at the time of the event.

This Competition is a new format in where the qualification is athletes that did not make the National Qualifying Standard in their career. This means we are looking at our next level of competitors and coaches for a pathway opportunity for future aspirations.

QWA Team Staff Role Descriptions

Head Coach (HC) Funded Appointed Role

Assistant Coach (AC) Funded Appointed Role

Head coach and assistant coach work collaboratively to ensure the team's success, with the Head Coach taking the lead in guiding the team's direction and the Assistant supporting and helping in decision making.

The Team Leader is the Athlete Support, Team Communicator and organising lead for the team and will be available to assist the Head coach if required.

In partnership with New South Wales Weightlifting Association (NSWWA), this event has been established as a result of the increased qualifying standards required for national championships, for all ages. This is an event to recognise your efforts in training and competition in 2024 and provide a pathway to represent your state as you continue to progress toward the new national qualifying standards.
